CASE # 1:09CV806

JUDGE: Claude Hilton

CLERK US DISTRICT COURT
ALEXANDRIA, VIRGINIA

MEMORANDUM TO THE COURT

It has become apparent that this case seems to be taking an illegal track like every other case I have filed in Federal Courts from Wisconsin to Illinois and now here all illegal activity including the service of suits to having duplicate case numbers. I ask for an Attorney because of these illegal acts and if the Courts don't see a reason to grant this then I am heading towards more illegal activity. And for a Judge who requires all Motions to be heard and I never be allowed in Court, seems auspicious As Judges and anyone else who chooses to be sworn in to abide by Justice it is also a responsibility to enforce actions that seem to be tainted as this and all cases before this should have been. For a cease and Desist to be waited on while someone is kept from working is another clear sign of a tainted proceeding.

respectfully submitted,
